Radio (touch screen)

RADIO CONTROLS

1. Settings
2. Audio on/off
3. Volume
4. Access Audio/Video Menu
5. Scroll up down (menu control)
6. Mode
7. Traffic/News information
8. Search up/increase
9. Search down/decrease

Note: *The audio system is operated by a combination of physical buttons on the facia and virtual buttons displayed on the touch screen. To avoid confusion when reading this handbook, the physical buttons are referred to as buttons and the on screen buttons as icons.*
