

Your warranty

Note: The warranty period for dealer demonstrator vehicles starts on the day that the vehicle is put into service as a demonstrator (not the day that the vehicle is first sold retail).

The Warranty Statements made on the following pages are additional to, and are not intended to affect, your statutory rights.

How to obtain warranty assistance

Should your vehicle ever require attention under the Warranty arrangements, simply contact the nearest Land Rover Authorised Repairer.

- Always provide the Authorised Repairer with full information about the nature of any difficulty as quickly as possible.
- Always present the Authorised Repairer with the Service Portfolio booklet which will provide them with the information that they need before a repair can be undertaken.

Should the Vehicle Identification page of the Service Portfolio booklet be incomplete, Warranty assistance may be refused by the Authorised Repairer until confirmation has been received from Land Rover that the vehicle in question is covered by the terms of the Land Rover Warranty.

VEHICLE WARRANTY

Should any part of the vehicle require repair or replacement as a result of a manufacturing defect, the part will be repaired or replaced completely free of charge by any Land Rover Authorised Repairer, regardless of any change of vehicle ownership during the period of cover.

Note: Tyres are covered separately by the tyre manufacturer. Your Land Rover Dealer /Authorised Repairer will, however, assist you with any tyre claim.

In all warranty repairs carried out by a Land Rover Authorised Repairer, genuine Land Rover Approved Parts will be used. Any displaced parts become the property of Land Rover.

All parts fitted during warranty repairs are covered for the balance of the original warranty period.
