

IMPORTANT

The information contained in this handbook covers all vehicle derivatives and optional equipment, some of which may not be fitted to your vehicle. Due to printing cycles, this handbook may include descriptions of options before they become generally available.

The vehicle options, hardware and software, are designed for the market in which the vehicle is intended for original sale. If the vehicle is registered or used in another geographical area, it may need modifications to suit local requirements. Land Rover is not responsible for the cost of any modifications. Warranty conditions may be affected.

The information contained in this publication was correct when it went to print. Subsequent vehicle design changes may result in a supplement being added to the literature pack. Updates can also be viewed on the Land Rover internet site at: **www.ownerinfo.landrover.com**.

In the interest of development, the right is reserved to change specifications, design or equipment at any time without notice and without incurring any obligations. This publication, or part thereof, may not be reproduced nor translated without our approval. Errors and omissions excepted.

Symbols used in this handbook

This safety alert symbol precedes any safety message about a risk of personal injury. It will also have one of the following signal words.

DANGER

Indicates a hazardous situation which, if not avoided, will result in death or serious injury.

WARNING

Indicates a hazardous situation which, if not avoided, could result in death or serious injury.

CAUTION

Indicates a hazardous situation which, if not avoided, could result in minor or moderate injury.

NOTICE

Indicates either a procedure which must be followed precisely, or information that should be considered with great care, in order to avoid the possibility of damage to your vehicle.

This recycling symbol identifies items that must be disposed of safely in order to prevent unnecessary damage to the environment.

This symbol identifies features that can be adjusted, disabled or enabled by a Land Rover Retailer/Authorized Repairer.
