

Warranties: Summary of Warranties

The Land Rover warranties detailed in this booklet are issued by Jaguar Land Rover North America LLC, the sole authorized importer of Land Rover vehicles in the USA and Puerto Rico, and cover only vehicles originally specified and built by Land Rover for the United States and Puerto Rico.

Land Rover warranties are in favor of the original purchaser and each subsequent owner during the respective warranty periods.

These warranties will be honored by any authorized Land Rover retailer in the world. However, Jaguar Land Rover North America LLC will not cover the costs to modify the vehicle to meet legal requirements in another country.

A warranty coverage exception may apply for vehicles being exported and licensed outside of the United States, Canada, and Puerto Rico. Land Rover strongly recommends that the registered owner contact the local dealer or importer in the country of importation to establish applicable warranty coverage.
