IMPORTANT INFORMATION

This is a Replacement Service Portfolio, supplied because the original has been lost, or the vehicle's mileage has exceeded the provisions of the original book.

If you receive this book with your vehicle, you may wish to establish the authenticity of the service stamps in the Service Record section with a Land RoverDealer/Authorised Repairer.

This is an important document that contains personal information about you and your vehicle. Keep it in a safe place. Eventually it can build into a record of the routine services and warranty inspections carried out on your vehicle. An accurate service record should prove to be beneficial if you decide to sell your vehicle in the future.

This handbook applies to world wide markets but not all parts are applicable to all markets. Where information is specific to a particular market or does not apply to a particular market, there will be an indicator to mark this.

The information contained in this handbook covers all vehicle derivatives and optional equipment, some of which may not be fitted to your vehicle. Due to printing cycles, this handbook may include descriptions of options before they become generally available.

The vehicle options, hardware and software, are designed for the market in which the vehicle is intended for original sale. If the vehicle is registered or used in another geographical area, it may need modifications to suit local requirements. Land Rover is not responsible for the cost of any modifications. Warranty conditions may be affected.

Failure to maintain your vehicle in accordance with maintenance schedules and service instructions may invalidate your warranty.

The information contained in this publication was correct when it went to print. Subsequent vehicle design changes that affect servicing or warranty conditions may have been made after this handbook was printed. When this occurs a handbook supplement is added to the literature pack. Subsequent updates can be viewed on the Land Rover internet site at; **www.ownerinfo.landrover.com.**

In the interest of development, the right is reserved to change specifications, design or equipment at any time without notice and without incurring any obligations. This publication, or part thereof, may not be reproduced nor translated without our approval. Errors and omissions excepted.
