

Audio/video overview

2. If surround sound is fitted, touch **DPLIIx**, **DTS Neo:6**, **Meridian Trifield** or select **Off** to switch surround sound off.

Note: Surround sound options are not available for certain sources where the surround sound mode is set automatically.

To adjust balance and fade:

E132537

1. From the Sound settings menu, select **Balance/Fade**.
2. Touch the arrow soft keys to move the sound focal point to the desired area of the vehicle. Alternatively, touch the sound focal point and 'drag' it to the required position.
