

For information on the CD/DVD loading slot and eject button, and the use of the audio/video controls on the audio unit and steering wheel, see **137, AUDIO/VIDEO CONTROLS**.

## **VIDEO MEDIA INHIBIT WITH VEHICLE MOVING**

When the vehicle is moving the video picture will automatically be inhibited. The touch screen will display the **TV/My video** screen and the relevant safety message will be displayed. If Dual view is fitted, a prompt for the passenger to activate dual view is displayed. See **157, DUAL VIEW**.

## **FULL SCREEN VIEW**

When full screen mode is selected, the seek controls operate in the same manner as they do in preview mode.

Use the relevant soft key to select the **4:3, 16:9** or **Zoom** option to magnify the picture.
