Note: Shuffle mode is not available for Bluetooth® devices.

11. Skip/Scan backward:

- Touch and release within 3 seconds of track playback to skip to the previous track.
- Touch and release after 3 seconds of track playback to skip to the beginning of the current track.
- Touch and hold to skip backwards through the current track. Playback will resume when the soft key is released.

LOADING COMPACT DISCS

NOTICE

Do not force the disc into the CD/DVD loading slot.

Do not use irregular shaped CDs or CDs with a scratch protection film or self-adhesive labels attached. It is likely that the disc will not eject and will block the CD mechanism. Such damage to a CD player will not be covered under warranty.

Dual format, dual-sided discs (DVD Plus, CD-DVD format) are thicker than normal discs and consequently playback cannot be guaranteed, and jamming may occur.

NOTICE

The CD unit will play compact discs that conform to the international Red Book standard audio specification. Playback of CDs not conforming to this standard cannot be guaranteed.

NOTICE

Blue Ray and other high definition video format DVDs will not function in this player.

NOTICE

DivX Media Format (DMF) is not supported.

The unit will play compact discs that conform to the international Red Book standard audio specification.

The unit will play Compact Disc Digital Audio (CDDA) discs, MP3, WMA and AAC files.

Only discs with CDDA tracks and no other type, can be uploaded to the Stored CD store.

The full infotainment system will also play DVDs. The unit will play video files recorded in MPEG4 DivX or MPEG4 XVID formats.

The unit will play DivX 3, 4, 5 and 5.2 files. Version 6 will also play but this depends upon the recording settings.
