PARTS AND ACCESSORIES

WARNING

Fitting of non-approved parts and accessories, or the carrying out of non-approved alterations or conversions, may be dangerous and could affect the safety of the vehicle and occupants and also invalidate the terms and conditions of the vehicle warranty.

WARNING

Land Rover will not accept any liability for death, personal injury or damage to property which may occur as a result of installation of non-approved accessories or the carrying out of non-approved conversions to Land Rover vehicles.

AIR BAG SYSTEM

WARNING

The components that make up the air bag system are sensitive to electrical or physical interference, either of which could easily damage the system and cause inadvertent operation or a malfunction of the air bag module.

To prevent malfunction of the air bag system always consult your Retailer before fitting any of the following:

- Electronic equipment such as a mobile phone, two-way radio or audio system.
- Accessories attached to the front of the vehicle.
- Any modification to the front of the vehicle.
- Any modification involving the removal or repair of any wiring or component in the vicinity of any of the air bag system components, including the steering wheel, steering column, instrument or facia panels.
- Any modification to the facia panels or steering wheel.

ANTI-THEFT SYSTEM

WARNING

No modifications or additions should be made to the anti-theft system. Such changes could cause the system to malfunction.
