

POINTS OF INTEREST (POI)

1. From the **Nav menu**, touch **Destination entry**.
2. Touch **More....**
3. Touch **Point of interest**.
4. Touch **POI name** and touch **Ok** to confirm.
5. Enter POI name, or select from **List**.
6. Alternatively, choose **Category** to see all categories of POI and make your selection. See **CATEGORIES AND SUB-CATEGORIES**.
7. To narrow the search area, touch **Town** to enter a town name
8. Once the POI has been selected, the map showing the selected destination is displayed.
9. Touch **GO** to start trip.

Note: *If entering a POI name results in too many matches being listed, try entering the town name first. If you do not know the name of the POI you want, try selecting a POI category.*

Note: *POI icons can only be displayed up to the ½ mile (1 km) zoom level.*

RETAILER LOCATIONS

Details of Land Rover Retailers are held on the Navigation System as a point of interest category, under car/automotive category. See **POINTS OF INTEREST (POI)**.

CATEGORIES AND SUB-CATEGORIES

The POI database is divided into a number of categories. Each main category is further divided into a number of sub-categories. Touch the desired category, then choose desired sub-categories.

MY POI

Additional POIs can be downloaded and added to the list. Free POIs can be found on the internet.

Connect a USB device containing the POIs. See **.129, CONNECTING A DEVICE**.

Note: *POIs must be in GPX format.*

1. From the **Nav menu**, touch **More....**
2. Select **Stored locations**.
3. Touch **My POI**.
4. Select **Add** to individually select each POI group to be downloaded. Select **Edit** to change **Name**, **Icon** or **Sound icon**. Or select **Delete**.

LOCAL POI SEARCH

Use to select points of interest close to the vehicle position.

1. From the **Nav menu**, touch **Destination entry**.
 2. Touch **More....**
 3. Touch **Point of interest**.
 4. Touch **POI near current** and touch **Ok** to confirm.
 5. Select POI category, if required select again from sub-category and touch **Ok** to confirm.
 6. Touch **Show List** or **Select Category** to make further selections.
- Note:** *Up to 5 categories can be chosen to select a POI from.*
7. Select your POI destination from the list. The map showing the selected destination is displayed.
 8. Touch **GO** to start trip.
