

VEHICLE RECALLS

In many countries, there is a requirement that owners be notified of any recall campaigns and be provided with information concerning the action they must take.

In this event, the registered owner will be contacted and invited to have the vehicle inspected free of charge.

If you suspect that your vehicle has been missed by a recall campaign, you should contact a Land Rover Dealer/Authorised Repairer for advice.

To successfully resolve any recall campaign, it is important that we are able to contact you easily. If you have changed your address or have become the new owner of the vehicle, please complete the Change of Ownership or Address page at the end of this publication, remove it and send it to the appropriate address shown.

If the page has already been used, please write to the appropriate address or contact any Land Rover Dealer:
