

## IMPORTANT INFORMATION

This document that contains personal information about your vehicle. Keep it in a safe place.

A record of the routine services and warranty inspections carried out on your vehicle is held on the Land Rover Online Service History (OSH) system. A Land Rover Dealer/Authorised Repairer can provide you with a printed copy as documented evidence of the vehicle's service history. The print out contains details of how to register and view your vehicle's Online Service History at any time. Keep the printed copy in a safe place, NOT in the vehicle.

This handbook applies to world wide markets but not all parts are applicable to all markets. Where information is specific to a particular market or does not apply to a particular market, there will be an indicator to mark this.

*The information contained in this handbook covers all vehicle derivatives and optional equipment, some of which may not be fitted to your vehicle. Due to printing cycles, this handbook may include descriptions of options before they become generally available.*

*The vehicle options, hardware and software, are designed for the market in which the vehicle is intended for original sale. If the vehicle is registered or used in another geographical area, it may need modifications to suit local requirements. Jaguar Land Rover Limited is not responsible for the cost of any modifications. Warranty conditions may be affected.*

**Failure to maintain your vehicle in accordance with maintenance schedules and service instructions may invalidate your warranty.**

The information contained in this publication was correct when it went to print. Subsequent vehicle design changes that affect servicing or warranty conditions may have been made after this handbook was printed. When this occurs a handbook supplement is added to the literature pack. Subsequent updates can be viewed on the Land Rover internet site at;
