Portable media

PAIRING AND CONNECTING USING THE MEDIA PLAYER

For further information on **Bluetooth**® wireless technology, see **107**, **BLUETOOTH**® **INFORMATION**.

Note: The process of pairing and connecting your media device with the vehicle, using the media device, will vary depending on the type of media device.

- **1.** Switch on the ignition and make sure the Touch screen is active.
- 2. From the Home menu, select Audio/Video, then the My music + soft key.
- 3. Touch Bluetooth.
- 4. A menu will appear. Select Change device.
- 5. Select the **Device to vehicle** option.

Note: The vehicle's **Bluetooth**® wireless technology system is only discoverable for 3 minutes.

- 6. Using the media device, search for Bluetooth® wireless technology devices. On some media devices, this is referred to as new paired device. See your media device's operating instructions for further information.
- 7. When the vehicle's **Bluetooth**® wireless technology system is discovered, follow the on-screen instructions. Select **Yes** when prompted, to confirm the pairing.

 Either your device or the vehicle's system will ask for a PIN (Personal Identification Number). When prompted, enter a PIN of your choice and select **OK** to confirm.
- 8. Enter the same PIN into the other device.
- Once your device is paired and connected to the system, a confirmation message will be displayed, before switching to the My music, Bluetooth screen.

Note: Some media devices do not automatically connect and need to be manually connected, via the device or by using the **Change device** option.
