When the original wheels and tyres are refitted, the vehicle will need to travel a short distance to reset the TPMS and extinguish the warning lamp.

Recommended winter tyres are identified in the following table:

Land Rover approved winter tyres	
18 inch wheels	235/65 R18 110H Dunlop Winter Sport M3
19 inch wheels	255/55 R19 111V Goodyear Ultra Grip
19 inch wheels	255/55 R19 111T Nokian Hakkapeliitta 7 SUV
20 inch wheels	255/50 R20 109V Continental Cross Contact Winter

USING SNOW CHAINS

Only use traction devices in heavy snow conditions, on compacted snow.

Never exceed 50 km/h (30 mph) when traction devices are fitted.

Never fit traction devices to a temporary-use spare wheel.

Land Rover approved traction devices may be used to improve traction on compacted snow, in heavy snow conditions. They should not be used in off-road conditions.

If it becomes necessary to fit traction devices, the following points must be observed:

- No traction devices should be fitted to the rear wheels.
- Single-sided spikes-spider traction devices can be fitted to the front wheels of vehicles fitted with 18, 19, or 20 inch diameter wheels.
- The wheels and tyres fitted must conform to the specifications of the original equipment.
- Only Land Rover approved traction devices should be used on the vehicle. Only Land Rover approved traction devices have been tested to make sure that they do not cause damage to the vehicle. For more information contact a Dealer/Authorised Repairer.
- Always read, understand, and follow the traction device manufacturer's instructions. Pay particular attention to the recommended maximum speed and the traction device fitting instructions.
- Avoid tyre/vehicle damage, by removing the traction devices as soon as the conditions allow.

TYRE DECLARATION (India only)

All imported tyres meet the requirements of the Bureau of India Standards (BIS) and comply with the requirements under Central Motor Vehicle Rules (CMVR) 1989. The tyres are the same as those tyres supplied as original equipment for Land Rover models, which are fully Type Approved for the Indian market.
