

AUXILIARY POWER SOCKETS

1. Front power socket.
2. Second row power socket.
3. Loadspace power socket.

- ⓘ Only use Land Rover approved accessories. Using any other equipment may damage the vehicle's electrical system. If you are in any doubt, contact a Dealer/Authorised Repairer.
- ⓘ The engine should be running when using accessories for long periods. Failure to do so can discharge the battery.

Note: Power sockets can be used to power approved accessories that use a maximum of 180 Watts.
