

E136708

1. Install the child restraint securely in one of the rear seating positions.
2. Pass the tether strap over the seatback and beneath the head restraint.
3. Attach the tether strap hook to the tether anchor point on the back of the seat. Make sure the tether strap hook is facing the correct way (see illustration).
4. Tighten the tether strap according to the manufacturer's instructions.

BOOSTER SEATS

In a situation where a child is too large to fit into a child safety seat, but is still too small to safely use just the 3-point belt, a booster seat is recommended for maximum safety. Follow the manufacturer's instructions for fitting and use, and adjust the seat belt to suit.
