

Split screen view.

Shows a list of turn directions on the right half of the screen.

Guidance screen: Shows a detailed view of the next junction on the motorway or intersection view on non-motorway roads, in the right half of the screen.

Motorway information: This view is only available when travelling on a motorway. It displays automatically to show remaining motorway exits along your route.

To turn off the Guidance or Motorway information screens, proceed as follows:

1. From the **Nav menu**, touch **More....**
2. Select **Nav set-up**.
3. Touch **User settings**.
4. Touch **Guidance screen** or **Motorway information** to deselect the option.
5. Touch **OK** to confirm.

SEARCH AREA

The navigation map database is divided into countries, or areas of countries, called search areas. When setting a route, the destination (or waypoint) entered must be in the currently selected search area.

Before attempting to set a destination or waypoint, set the correct search area as follows:

1. Select **Destination entry** from the main navigation menu.
2. Touch **More....**
3. Touch **Search area**.

4. Scroll through the list and select the 3 letter code that corresponds to the desired destination area.
5. Select **OK**. The Destination entry menu is shown and the information window shows the currently selected search area.

MAP AUTO ZOOM

When under guidance, the map zooms in automatically when approaching an intersection or motorway junction.

1. From the map screen, touch the left map view, scale/zoom soft key.
2. Touch the **Auto zoom** soft key. The soft key will be highlighted when auto zoom is enabled.

SETTING A DESTINATION

1. After touching **Agree**, the initial map screen is displayed, now touch **Nav menu**.
2. From the Navigation menu, touch **Destination entry**.
3. Touch **Address** from the **Destination** screen and input the town name or postcode.
4. Once sufficient letters have been entered, touch **OK** or **List** to display all of the possible towns.
5. If necessary, use the scroll arrows to the left of the list to search up or down. Select the town you require.
6. Now enter the road name. Once sufficient letters have been entered, touch **OK** or **List** to display all of the possible roads.
7. Select the road you require. Enter the house number of the address (if known) and then touch **OK** to confirm.
8. If the house number is not known, select **OK**; the end of the road is then used as the destination.
