

## QUALITY CHECKS

Your vehicle has been quality checked throughout every stage of the manufacturing process. The final check was made by dedicated inspectors to make sure that the vehicle was built to the level of excellence required by Jaguar Land Rover Limited.

## IMPORTANT INFORMATION

This book contains personal information about your vehicle. Keep it in a safe place.

A record of the routine services and warranty inspections carried out on your vehicle is held on the Land Rover Online Service History (OSH) system. A Land Rover Dealer/Authorised Repairer can provide you with a printed copy as documented evidence of the vehicle's service history. The print out contains details of how to register and view your vehicle's Online Service History at any time. Keep the printed copy in a safe place, NOT in the vehicle.

This book applies to worldwide markets but not all parts are applicable to all markets. Where information is specific to a particular market, or does not apply to a particular market, there will be an indicator to mark this.

The vehicle options, hardware and software, are designed for the market in which the vehicle is intended for original sale. If the vehicle is registered or used in another geographical area, it may need modifications to suit local requirements. Jaguar Land Rover Limited is not responsible for the cost of any modifications. Warranty conditions may be affected.

**Failure to maintain your vehicle in accordance with maintenance schedules and service instructions may invalidate your warranty.**

The information contained in this publication was correct when it went to print.

In the interest of development, the right is reserved to change specifications, design or equipment at any time without notice and without incurring any obligations. This publication, or part thereof, may not be reproduced nor translated without our approval. Errors and omissions excepted.
