## INTERIOR PROTECTION

The Interior protection feature of the Full alarm system may be temporarily disabled via the **Vehicle Set-Up** menu. See **46, INSTRUMENT PANEL MENU**.

***Note:*** *Once disabled, this setting will be re-enabled the next time the vehicle is Double locked with the Smart key.*

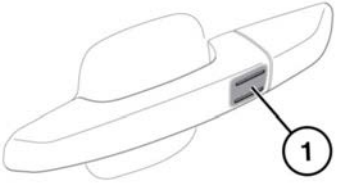

## KEYLESS LOCKING

**Never Double lock the vehicle with people, children or pets inside. In the event of an emergency, they would be unable to escape and the emergency services would be unable to release them quickly.**

The vehicle will not lock automatically.

The Smart key may not be detected if it is placed within a metal container or if it is shielded by a device with a back-lit LCD screen, such as a smart phone, laptop (including in a laptop bag), games console, etc.

***Note:*** *Loose coins in the same pocket as the Smart key, may also affect its detection.*

E149763

***Note:*** *Keyless locking will only activate if the Smart key is detected outside the vehicle. If no Smart key is present, no locking will occur.*

- To Single lock the vehicle, only touch the Keyless locking sensor (**1**) once, without grabbing the door handle.

  ***Note:*** *Do not place your fingers around the back of the door handle while touching the sensor. Doing so will prevent the vehicle from locking.*
- The hazard warning lamps will flash once to confirm locking and the Power-fold mirrors will fold in (if enabled).
- To Double lock the vehicle, only touch the keyless locking sensor (**1**) twice within 3 seconds.

  ***Note:*** *Do not place your fingers around the back of the door handle while touching the sensor. Doing so will prevent the vehicle from locking.*
- The hazard warning lamps will flash twice, accompanied by an audible sound to confirm locking.

***Note:*** *When locking the vehicle via Keyless locking, if a valid key is not present, one or more of the doors, the bonnet or the tailgate is not fully closed, or the ignition is ON, the vehicle will NOT lock. There will be NO audible mislock error warning. The hazard warning lamps will NOT flash and the door mirrors (if enabled) will NOT fold in. Check that all doors, the bonnet and the tailgate are closed properly. Make sure that the ignition is turned OFF and lock the vehicle again. If the mislock persists, consult a Dealer/Authorised Repairer.*

## GLOBAL CLOSING

**Make sure that no children, pets or obstructions are in any open aperture before operating Global closing. Safety mechanisms are in place to prevent serious injury, however, injuries can still occur.**
