

## Audio/video overview

**Note:** Surround sound options are not available for certain sources where the surround sound mode is set automatically.

### LOADING DISCS

#### NOTICE

To prevent CD mechanism damage, do not insert any object other than a CD/DVD into the disc slot. Objects such as coins, tickets and cards will cause a mechanism error and permanent damage to the device.

#### NOTICE

Do not force the disc into the slot.

#### NOTICE

Do not use irregular shaped CDs or DVDs, and those with a scratch protection film or self-adhesive label attached.

#### NOTICE

Do not use mini sized CDs, even with an adaptor.

#### NOTICE

Recordable (CD-R) discs and re-writable (CD-RW) discs may not function correctly.

#### NOTICE

Recordable (DVD-R or DVD+R) discs may not function correctly.

#### NOTICE

Dual format and dual-sided discs (DVD Plus, CD-DVD format) are thicker than normal CDs and so playback cannot be guaranteed and jamming may occur.

Use only high quality 4.7 in. circular discs.

The unit will play Compact Disc Digital Audio (CDDA) discs, MP3, WMA and, AAC files.

The player will accommodate 1 CD or DVD disc at a time, but up to 10 CDs can be uploaded onto the virtual CD store.

Only CDDA discs can be loaded onto the virtual CD store.
