VOICE SETTINGS

- **Command list**: Pressing the '**I**' soft key next to any command will display alternative ways of saying the same command.
- **Voicetags**: View the categories. Select a category to manage the Voicetags for the chosen system. See **207, VOICETAGS**.
- **Operating guide**: Select to view some brief Voice system instructions. Select **Voice tutorial** for more detailed Voice system instructions (cancel via the displayed pop-up, or by pressing and holding the Voice button).
- **Preferences**: Select to alter the following settings:
  - **Voice profile**: The Voice control system can be trained to have a greater recognition of a particular voice or accent. The default setting is **All**. To build a voice profile for either **User 1** or **User 2**, it is necessary to complete a training program first.

    To complete the training for the first time, select either **User 1** or **User 2** and follow the on-screen and audible instructions.
  - **Voice feedback**: Select **On/Off**.
  - **Feedback volume**: Adjust using the **+/-** buttons. It is not possible to reduce the volume to zero.
- **Voice training**: Select to access the Voice control system training program, designed to enable the system to better recognise the vocal characteristics of a user.
  Select **User 1** or **User 2** and follow the on-screen and audible instructions. See **206, VOICE TRAINING**.

The training session can be cancelled, at any time, by touching the on-screen pop-up, or by pressing and holding the voice button on the steering wheel. See **205, USING VOICE CONTROL**.

VOICETAGS

Voicetags enable the user to personalise the Voice control system so that a single name can be used to access a navigation destination, phone number, or a radio channel.

To add a Voicetag:

1. Briefly press the Voice button to start a voice session.
2. Wait for the tone to sound and then say **Phone**, **Navigation**, or **Radio**.
3. Say **Store voicetag**.

Alternatively, Voicetags can be managed via the Touch screen, as follows:

1. Select the Setup icon from the Touch screen **Home menu**. See **84, TOUCH SCREEN HOME MENU**.
2. Select **Voice** from the **Setup** menu.
3. Select **Voicetags** from the **Voice settings** menu.
4. Select the system which the Voicetag is to activate (**Phone**, **Navigation**, or **Radio/DAB**).

Follow the Touch screen and audible instructions.

NAVIGATION POI VOICE COMMANDS

To request the display of Points Of Interest (POI) identifiers on the navigation display, say **Navigation** with one of the following POI categories:

- **Petrol station/Petrol**

- **Parking/Car park**
- **Land Rover Retailer**
- **Hospital**
- **Golf course**
- **Tourist information**
- **Restaurant/I'm hungry**
- **Shopping centre**
- **Hotel**
- **Motorway service**
- **Town centre**

Note: *The word* ***Navigation*** *must be followed immediately by a category.*

Icons will appear on the navigation display, indicating the locations of the selected POI. For further information about POIs, see **232, MY POI**.
