If a trailer is attached, the warning lamp will flash in conjunction with the direction indicator warning lamp. If the lamp fails to flash, the direction indicator bulb on the trailer may be faulty.

Note: *If the attached and connected trailer is fitted with LED lights, the bulb check may not be performed.*

HIGH BEAM (BLUE)

Illuminates when the high beam headlamps are switched on or flashed.

INTELLIGENT STOP/START OFF (WHITE)

Illuminates when the Hybrid Intelligent stop/start system has been switched off. The electric motor will still provide assistance, but the engine will run constantly.
