

AIRBAG SYSTEM

 The components that make up the airbag system are sensitive to electrical or physical interference, either of which could easily damage the system and cause inadvertent operation or a malfunction of the airbag module.

To prevent malfunction of the airbag system, always consult your Retailer/Authorised Repairer before fitting any of the following:

- Electronic equipment such as a mobile phone, 2-way radio, or in-car entertainment system.
- Accessories attached to the front of the vehicle.
- Any modification to the front of the vehicle.
- Any modification involving the removal or repair of any wiring or component in the vicinity of any of the airbag system components, including the steering wheel, steering column, instrument or fascia panels.
- Any modification to the fascia panels or steering wheel.

PARTS AND ACCESSORIES

 **The fitting of non-approved parts and accessories, or the carrying out of non-approved alterations or conversions, may be dangerous and could affect the safety of the vehicle and occupants, and also invalidate the terms and conditions of the vehicle's warranty.**

 Jaguar Land Rover Limited will not accept any liability for death, personal injury, or damage to property, which may occur as a direct result of fitment of non-approved accessories or the carrying out of non-approved conversions to your vehicle.

 All replacement parts for the Air Conditioning (A/C) system should be new and equivalent to the manufacturer's original equipment, while complying with the SAE Standards. Contact a Retailer/Authorised Repairer for advice.

This symbol may be used on an under bonnet label and is relevant to the air conditioning refrigerant fluid. The symbol identifies extremely flammable chemicals that have an extremely low flash point and boiling point, and gases that catch fire when in contact with air.

ROAD TESTING DYNAMOMETERS (ROLLING ROADS)

It is essential that any dynamometer testing is carried out only by a qualified person, familiar with the dynamometer testing and safety procedures practised by Retailers/Authorised Repairers.
