

LAND ROVER EXTENDED WARRANTY

Jaguar Land Rover Limited believes in long term ownership and when the Warranty on your new or used Land Rover vehicle expires, we believe the owner should have the option of extending. Our Extended Warranties are specifically designed for Land Rover vehicles, so you'll appreciate the reassurance in knowing that you're covered for both mechanical and electrical failures.

Two different levels of cover are available:

Land Rover Approved extended warranty

For vehicles up to 5 years old and have covered less than 75,000 miles at the time of warranty purchase.

The warranty offers unlimited distance cover and unlimited individual claim liability (up to the value of the vehicle).

Summary of cover

The Approved warranty covers defects to most factory fitted components of the vehicle for mechanical or electrical failure.

The warranty cover excludes the following items:

- All service/maintenance operations and adjustments.
- Glass.
- Paintwork and bodywork.
- Wheels and wheel balancing/alignment and adjustment (unless part of a valid claim).
- Recharging of air conditioning unit (unless part of a valid claim).
- Telephone/TV/DVD/video.
- Tyres.
- Batteries.
- Bulbs.
- Exhaust system.
- Water ingress.
- Strikers and hinges.
- Wear and tear.

Land Rover Select extended warranty

For vehicles up to 7 years old and have covered less than 100,000 miles at the time of warranty purchase.

£3,000 individual claim liability and aggregate claims up to the price paid for the vehicle.

A maximum of 25,000 miles cover from the date of warranty purchase.

Summary of cover

The Select warranty also excludes those items not covered in the Approved warranty, but covers most major repairs on the following components of the vehicle for mechanical or electrical failure:

- Engine.
- Turbo unit.
- Cooling system.
- Air conditioning.
- Manual gearbox
- Automatic gearbox.
- Transfer box.
- Differential.
- Drive line.
- Clutch.
- Steering.
- Suspension.
- Brakes.
- Fuel system.
- Electrics.
- Casings.
